

Mia Hamm: Soccer Star (Great Record Breakers in Sports)

Children will have fun learning about famous athletes and the records that they set and broke. Included in each book are fun graphics of important statistical information and photographs documenting record-breaking moments. Students will learn about the sports figures personal lives and how these athletes accomplished their great achievements. This three-time college All-American has broken a string of records already in her amazing career: the youngest player ever to play for the U.S. National Team, Female Athlete of the Year in womens soccer for three years in a row, and the highest scorer in the history of womens soccer. Students will be amazed and inspired by this young womans achievements.
