

Wee Scarlet

Wee Scarlet is an old story sprinkled with Caribbean flavor. Familiar characters from Little Red Riding Hood come alive in a sparkling narrative with stunning tropical illustrations. The villain wears a new disguise. The hero saves the day in a whole new way. Wee Scarlet is a good girl, but just like everyone else, she makes mistakes. A sly stranger plays a trick on her while she walks to Grannys house. A valuable lesson is learned by our young one. Wee Scarlet admits, A little girl must stay on the path. At the end of the tale, celebrate at Carnival with Wee Scarlet and her loving family. Lessons are taught as you and your child read along, and Wee Scarlet learns about strangers and straying from the path her parents set her on.
