

Earning & Learning About Money: Middle School Math

This book builds a foundation of knowledge that helps young teens begin learning how to earn, spend, and save money wisely. Skills such as reading a paycheck stub, figuring interest, budgeting, managing an allowance, and balancing a checkbook are introduced. Other topics such as jobs, wages, accounts, stock market, tipping, sales tax, and more are also addressed. With real-world applications, these basic skills will help students achieve financial success and responsibility. Answer key included.
