

# The Backpacker Chef - Hostel, Pocket-Friendly Recipes for Backpackers!

An ideal collection of simple recipes for when budget, storagespace, cooking equipment and/or skills, are in short supply. Perfect for cooking in hostel kitchens, caravan or RV, vacation rental or at home! Whats so special about the recipes in this cookbook? \* Only basic ingredients required - can be bought almost everywhere around the world. \* Only a handful of ingredients per recipe (great for when you only want to remember a few things to buy at the shop). \* Minimum leftover ingredients you need to worry about storing or carrying. \* No fancy equipment required - not even a blender! \* All recipes made in 5 easy steps and written in a way that even the least experienced in the kitchen will understand. \* Great variety of 50+ recipes, over half with pictures. No need to be bored with what you are eating! Be pleasantly surprised how easy and quick it can be to cook your own fresh, flavoursome, healthy, fuss free food - and save lots of money in the process. Go on, give it a try!
