

## Definitely Above Average: Stories & Comedy for You & Your Poor Old Parents

From live broadcasts of A Prairie Home Companion. After the birth of Garrison Keillor's daughter, the stories, songs, and sketches on A Prairie Home Companion took on a distinctly parental bent. This new collection gathers the warmest, funniest, most affectionate examples: dance tunes and comedy with sound effects; songs featuring Chet Atkins, Leo Kottke, Beausoleil, and other guests; Ian Frazier's much-requested Lamentations of the Father; and Garrison's version of The Princess and the Pea. Garrison says, I test-played this album for my daughter, who is three, and she jumped around a lot. Filled with stories, sketches, and songs recorded from live broadcasts, Definitely Above Average will delight parents and children everywhere.
