This superb Grade 9-1 GCSE English Literature Poetry Guide from CGP covers the entire Love and Relationships cluster from the AQA Anthology of Poetry. The full text of every poem is included, with clear, concise notes on the meaning, form, structure and language - plus questions to help students develop their personal responses. Its also very important to be able to compare the poems, so weve included in-depth sections on the themes and poetic techniques found in the cluster. There are practice questions and exam-style questions at the end of each section, and the book is rounded off with plenty of detailed exam advice - including the chance to improve and mark sample answers using a realistic mark scheme.
