

A Taste of Toronto

In *A Taste of Toronto*, Hetty Blythe captures the many faces of this vibrant metropolis in a series of superb sepia sketches. Her portraits of Toronto landmarks are fleshed out by Helen Duckworth's lively commentary on the city and its people. And because Torontonians love good food, *A Taste of Toronto* presents a sampling of some 50 great Toronto recipes, many courtesy of the fine restaurants where you may enjoy these taste delights. Bon Appetit!
