

Ninja Baby

Funny and pitch-perfect. Publishers Weekly, starred review From the day she was born, Nina was a ninja baby. She obliterated her applesauce. She concealed herself at bath time. And she was training herself in advanced infiltration (of movie night). Nina wants to do everything by herself, until the day her parents bring home a Kung Fu Master (a baby brother). Now with a sibling, Nina will face the one thing she cannot do alone: be part of a family. With verve and humor, David Zeltser and Diane Goode tell the story of an unusually gifted child, and the family that is more than a match for her.
