

Ancient Aztec Technology (Spotlight on the Maya, Aztec, and Inca Civilizations)

Technology is guiding force in all civilizations. Readers discover the role technology played in ancient Aztec life through text designed to reflect essential social studies curriculum topics. Accessible text introduces readers to the technology used by ancient Aztecs, helping them make their own comparisons to the technology available to us today. Colorful photographs and historical images bring readers into the world of the ancient Aztec people. Primary sources are also included to enhance readers learning experience. What did the Aztec people use to make their tools and weapons? Readers will have fun finding out.
