

# Nutrition Applications Workbook

Written by Thomas W. Castonguay, et al., the workbook is a great companion to DIET ANALYSIS PLUS. The authors include 20 nutrition case studies with discussion questions and DIET ANALYSIS PLUS projects/activities, enabling students to apply their critical thinking skills. This two-part workbook begins with 20 case studies, including a series of questions based on each study. The second part contains DIET ANALYSIS PLUS projects and activities offering students opportunities to apply their critical thinking skills and complete self-contained exercises.
