After defeating a horde of Minecraft monsters and discovering Doctor Nethers underwater lair, Dan, Olivia and Felix have become international celebrities. The gang will have no time to enjoy their newfound fame however, as Doctor Nether is back and tougher than ever. Following a break-in at Dans home, the device that can transport Minecraft mobs into the real world is stolen and there can be only one culprit. After finding his way to New York, the evil doctor pledges to destroy the Minecraft Mob Hunters once and for all, doing everything within his power to ensure that they never leave the city. Dans dad is back to help the gang, bringing a whole new host of gadgets with him to help defeat the evil Minecraft monsters for good. Along with enhanced Blaster Guns, the Minecraft Mob Hunters are equipped with a state of the art vehicle that will allow them to chase Doctor Nether all around the city. But when Doctor Nether releases an Enderman the size of a skyscraper on New York, the gang may have finally met their match.
