

Ogopogo Odyssey

While visiting his grandparents vineyard in the Okanagan Valley, Colin has a chance meeting with the famous lake creature known as Ogopogo. When it turns out that no one believes his story, Colin is still convinced that his encounter with Ogopogo was real. He finally meets a native woman at the beach who tells him ancient tales about Naitaka and Colin discovers so much more about this mysterious creature and the lake he inhabits. This is a summer adventure he will never forget.
