

Out of Iraq: A Practical Plan for Withdrawal Now

Former senator George McGovern and William R. Polk, a leading authority on the Middle East, offer a detailed plan for a speedy troop withdrawal from Iraq. During the phased withdrawal, to begin on December 31, 2006, and to be completed by June 30, 2007, they recommend that the Iraq government engage the temporary services of an international stabilization force to police the country. Other elements in the withdrawal plan include an independent accounting of American expenditures of Iraqi funds, reparations to Iraqi civilians for lives lost and property destroyed, immediate release of all prisoners of war, the closing of American detention centers, and offering to void all contracts for petroleum exploration, development, and marketing made during the American occupation.
