

Pandora

Pandora has been warned about the forbidden jar. Although she is surrounded with gifts and has rooms, gardens, and a courtyard to explore, Pandora is drawn to one room--the one that holds that jar. Is Pandoras curiosity a curse? In a seamless blend of prose and verse--and drawing from traditional mythological sources--Robert Burleigh dramatically tells Pandoras story for young readers. Complemented by Raul Colons bold illustrations, Pandora is an unforgettable introduction to the classic myth.
