

ParentLaughs: A Jollytologist Book: Quips, Quotes, and Anecdotes about Raising Kids

Parenting is one of the hardest but most rewarding jobs there is. It requires patience, kindness, and, most of all, a sense of humor. This hilarious and touching collection of hundreds of quips, quotes, and anecdotes highlights the funny side of being a parent. ParentLaughs covers all stages of raising kids, from preparation and pregnancy through raising toddlers, school-aged children, and teenagers. Witty views on parenting come from parents who are famous for their sense of humor, including Ray Romano, Erma Bombeck, Dave Barry, Joan Rivers, and other well-known and less well-known moms and dads. Award-winning professional speaker and therapeutic humor expert Mr. Jollytologist Allen Klein has carefully selected these lighthearted quips, quotes, and anecdotes to keep parents laughing even when the baby is crying. A child is a curly, dimpled lunatic. Ralph Waldo Emerson The main purpose of children's parties is to remind you that there are children worse than your own. Katharine Whitehorn Childhood is a time of rapid changes. Between the ages of twelve and seventeen, a parent can age thirty years. Sam Levenson
