

Pathfinder Chronicles: Classic Horrors Revisited (Pathfinder Chronicles Supplement)

The most frightening terrors of fantasy gaming have deep roots in history, mythology, and popular culture. From the seductive allure of the vampire to the fierce fury of the werewolf, Classic Horrors Revisited spotlights 10 of the spookiest, scariest monsters of the game, providing context, rules, and a host of ideas that breathe new life (and sometimes unlife) into commonly used creatures that all-too often can be uncommonly boring. Written by the macabre Managing Editor of the Pathfinder Adventure Paths, F. Wesley Schneider, Classic Horrors Revisited features exciting takes on the derro, flesh golem, gargoyle, ghost, ghoul, hag, mummy, vampire, werewolf, and zombie.
