

The ABC of Jiffy Cookery (Peter Pauper Press Vintage Editions)

Carpe Kitchen! The door of the Peter Pauper vault has swung open to release our legendary 1950s cookbooks for your e-reader! If free time is something you typically glimpse as it vanishes toward the horizon, give your culinary efficacy an old-fangled boost with the 1950s ABC of Jiffy Cookery. Instead of meeting your rapid dining needs with orange-cheese-covered novelty pasta shapes, sup on the savory 10-minute Tomato Soup with Wine. 30 minutes will take you to that summer favorite, Poached Salmon with Dill Sauce. Or have a particularly sumptuous breakfast-for-dinner in 20 minutes with Sherried Eggs and Cheese. Should dining well bring on a second burst of energy and appetite, experiment with the authors creative ice cream sundae suggestions. Breezy illustrations and witty verses throughout keep things lively. Quick as a wink, Quick as a flash! I'll make you a dinner With zing and with dash!
