

Pizza Memoirs

- Over 100 Recipes for Artisanal Pizzas and More

Pizza Memoirs, written by Linda S. Groves, is infinitely more than a pizza cookbook. It is a collection of shared food memories artfully transformed into original artisanal pizzas that replicate the tastes of those cherished foods and meals. Each pizza recipe begins with a humorous, sometimes poignant personal vignette, demonstrating that shared meals are a huge part of what it means to live life to the fullest. Even for people who don't cook, Pizza Memoirs is a wonderful read that most assuredly will elicit the reader's own treasured childhood and family memories. The book contains over one hundred recipes for dough, sauces, toppings and artisanal pizzas. Individual chapters include recipes for breakfast, appetizer, entree, kids and dessert pizzas. Precise, easy to follow preparation and baking instructions practically insure that pizza making is well within the reach of even the most novice cook.

A licensed professional counselor, Ms. Groves has worked extensively in the field of bereavement and grief, serving as a hospice pastoral counselor for several years in Connecticut before relocating to Tucson. Pizza Memoirs honors those who have so generously shared their cherished memories with the author over the years.
