

Learning Log

Keeping a learning log or a learning journal is one of the best tools to help you become an all-round learner. Your learning comes from experience as well as your studies because the Learning Log helps you articulate your learning and make it explicit. In this workbook Tony Nutley provides all the encouragement, tools and techniques you will need to review, reflect and make conclusions and then plan to use your experiences - as well as helpful advice on how to continue benefiting from the results, after all you worked hard for this you may as well use your skills at every opportunity.
