

Pokemon: Fun With Pokemon

Pok - mon is back in this fun book filled with mazes and puzzles. This is the first of two similar Pok - mon books from VIZ Medias VIZKids imprint. Young readers will enjoy mazes, finding differences and matching unique features to their favorite Pok - mon from original characters to those introduced in Pok - mon Ruby and Sapphire. Full-color, playful artwork showing Pok - mon playing on the beach, smashing rocks or in a park will appeal to preschool and younger grade school children.
