

This Book Is A Joke

Filled with all categories of hilarious antics, from creepy-crawly jokes to comics, its a smarter, funnier joke book for discriminating humorists. Each page guarantees guffaws, giggles, and groans. This book IS a joke! It includes hundreds of the wackiest gut-busting, knee-slapping jokes around. But writer/illustrator Holly Kowitt goes beyond the classic lists and pushes the humor envelope, loading the book with comic strips, character sketches, falsified photo captions, and other elements reminiscent of MAD Magazines heyday. Organized by joke category with sidebars and line art, its easy to navigate or to just pick up for a surefire laughfest. Funnier and smarter than the average joke book, it guarantees to make readers funnier and smarter, too.
