

My Dad Is A Firefighter

Get ready for an exciting ride-a-long with a firefighter: As we join young Jaden sharing what he learns about all the scary, wonderful and daring things his dad gets into when he goes off to work. From flashing sirens, super big rubber boots, and gushing water - to ladders that can stretch as tall as buildings. Jaden's daddy can do and see a lot in just ONE day! This is a wonderful educational story for kids ages 3 - 6, teaching on compassion, bravery and handling the many unexpected surprises that life can throw out. With rich visual illustration that brings the emotions and characters to life, this book makes for a great parent-and-child read along book that can be read over and over again! Illustrated in full color. Not only is the book a great story but its also an activity book with a Search and Rescue crossword puzzle and several coloring pages. Last but not least, there are 10 fire safety tips included to help keep your entire family safe.
