

Puppy Love (The Romantic Comedies)

Alana loves her dog-walking job, but it blows her mind to see how pampered these pooches are. Her newest clients actually feed their poodle steak and treat her to massages at a doggie spa! Alana can't make heads or tails of why anyone would do this -- or why she complains to hunky handyman Connor and not her boyfriend, Sammy. When Sammy starts keeping her on an awfully tight leash, Alana wonders whether Connor might be a better match for her. But Alana's puppy love comes to a screeching halt when she learns that Connor isn't who she thought he was. Is Alana barking up the wrong tree with him, too?
