

Tenebrak, the Founding (Chronicles of Tenebrak Book 1)

After Kariallas village is destroyed by raiders, she braves many dangers to reach Tenebrak and complete her training as a healer. But the Healers Courts have been destroyed and she despairs. Then others join her one by one, helped by alien beings called deleff. The group must defeat a new group of raiders, then confront Rojan, who as a town elder is more interested in money than justice.
