

Aircraft Nose Art: From World War I to Today (Motorbooks Classics)

This photo-filled collection takes readers on an extraordinary journey through the hearts and minds of the pilots, crews and artists who used cowling for canvas and left this colorful legacy. Ethell and Simonsen combine their knowledge to reveal stories behind the greatest nose art of all time. Packed with over 400 photographs of the best nose art from WWI, the Spanish Civil War and WWII, the Korean War, Vietnam and today. This is a paperback reprint of the original
