

50 Ways to Start the Ripple Effect: Appreciation Ideas for Long-Term Care Employees

This booklet contains 50 ideas for appreciating your employees. Appreciation is one of the most important and impactful emotions to communicate. When you intentionally appreciate your employees, you will get a host of positive outcomes, including better communication, improved morale, better job performance, lower turnover, and more! Appreciation has a ripple effect: if you start it, it will naturally encompass everyone. They will join you in transforming your facility to a place where problems melt away, staff are happy and fulfilled, and residents receive the best possible care. Follow the ideas in this book to start the ripple effect!
