

Regular Show Vol. 5

WE COULD WISH...FOR ANYTHING...Its Spring Break, and Mordecai and Rigby aren't exactly stoked to be watching over the The Park while the rest of the crew kicks back, grills hot dogs, and wears awesome tank tops. Once Benson busts them for slacking off and allowing vandals to ransack the park, Rigby snaps...and when he discovers a mysterious genie lamp, its time for Benson to learn his lesson. But be careful what you wish for! Jump in for a wild, wish-fueled adventure that will take the gang from the farthest reaches of Genie Beach to the shrunk-down gumball-scape inside Benson's head! Written by amazing cartoonist and Regular Show storyboard artist Nick Sumida and illustrated by the unstoppable Allison Streljau, Regular Show: Volume 5 collects issues 17-20 of the comic based on the hit Cartoon Network animated series. Grab your magic carpet, and enjoy SPRING BREAK!
