

Cant Get There from Here

Her street name is Maybe. She lives with a tribe of homeless teens -- runaways and throwaways, kids who have no place to go other than the cold city streets, and no family except for one another. Abused, abandoned, and forgotten, they struggle against the cold, hunger, and constant danger. With the frigid winds of January comes a new girl: Tears, a twelve-year-old whose mother doesnt believe Tearss stepfather abuses her. As the other kids start to disappear -- victims of violence, addiction, and exposure -- Maybe tries to help Tears get off the streets...if its not already too late.
