

Ren of Atikala (Kobolds Book 1)

I am Ren of Atikala. Kobold. Sorcerer. Warrior. I am many things and I have many stories to tell. This one is about my home. Home. The word has a special resonance with us all. Great or humble, rich or poor, everyone cherishes their home and if deprived of it loses a piece of themselves. I remember looking back at Atikala, its ceiling collapsed in, the homes of fifty thousand kobolds crushed under unimaginable tonnes of rock and dirt. I remembering the feeling of horror and denial that immediately set in. I wanted to reject that this had happened to me, to scream to the ceiling until the rock receded, until fate changed its mind and restored everything to the way it was. I thought that life could not be so cruel as to take everything I known in an instant. Oh, how I now understand that life can be capricious indeed. This is story of how I came to the surface of Drathari and unwillingly traded a life for a life.
