

Neverwhen

Bringing all of your worlds together
Welcome to the many worlds of Neverwhen. Neverwhen puts the players in the role of brave adventures that can travel throughout the many realms seeking fame and glory. Neverwhen mixes magic with technology allowing characters to explore any worlds you can imagine. Neverwhen is designed to allow gamemasters and players to combine any of their favorite genres into a campaign. Neverwhen is more than a toolkit it includes a rich history and storyline that can be incorporated into any campaign. Tie your various campaigns together with a companion that allows you to bring your swords and sorcery together with Sci-Fi. Explore Post Apocalyptic worlds and places where science and magic meet. Go wherever your imagination takes you. Journey through the gates to the city of Manzala and the universe of Neverwhen.

Go wherever your imagination takes you
The Neverwhen rulebook includes:
Exciting new classes such as the stoic tribal warrior or the battle hardened soldier. Complete rules for playing interesting new races like the dragon-like hylathans and hearty techno organic constructs. Dozens of new prestige classes. Ranging from the heroic ork swashbuckler to highly skilled arcane gunmen. Enhanced combat system that includes rules for automatic weapons, explosives and vehicular combat. New and revised spells for the new classes Techno-Mage and Trans-Dimensional Magi. New and revised creatures that travel through the realms. ... and much, much more!
