

## Ronaldo (Robbie Readers) (No Hands Allowed)

From just being Dadado to his family when he was a child in Brazil to being O Fenomeno (The Phenomenon) when he was out on the soccer field, Ronaldo has entertained and amazed soccer fans for years. He joined his first professional team at age 14, and just a few years later became an international player. He has played for teams in Brazil, Spain, Italy, and Holland. Despite a few injuries and setbacks, this speedy striker has scored hat tricks, won the World Cup, and earned the Golden Boot award. The Phenomenon always keeps his fans excited about seeing him run out on the field.
