

Rough Magicke

A co-publication of Harvardwood Books and Unlimited Publishing LLC, this novel is a remarkable witch's brew of supernatural, Christian, classical and scientific arcana, served up at an all-too-real Midwestern military school. An occult thriller, scary, learned, and charitable in the true tradition of Charles Williams and his fellow Inklings, wrote T.A. Shippey, editor of *The Oxford Book of Fantasy Stories*. Intellectual and literary, *Rough Magicke* juxtaposes the arcane and the sacred while providing a glimpse of the divine. Its *Dead Poets Society* with a dash of *Harry Potter* and *The Name of the Rose*. adds Mike Brotherton, author of *Star Dragon* (Tor Books, 2003) and *Spider Star* (2006). *Rough Magicke* is *Goodbye, Mr. Chips* meets *The Father Brown Mysteries*, with the welcome and in fact sorely needed addition of witchcraft, telepathy, quicksand and magic rings, raves Mark O'Donnell of *Broadways HAIRSPRAY* fame and author of *Getting Over Homer* and other fine books from Knopf.
