

Sailing the Unknown: Around the World with Captain Cook

In 1768, an 11-year-old sailor named Nicholas took to the seas with British explorer James Cook on a 3-year expedition of discovery, venturing into an uncharted world filled with strange lands, mysterious peoples, and peculiar creatures. *Sailing the Unknown*, written by Michael J. Rosen in the shorthand style of a historical journal and illustrated with panoramic vistas by Maria Cristina Pritelli, depicts this historic journey from the viewpoint of young Nick.
