

Samurai Awakening: (Samurai Awakening Book 1)

****Winner of the 2013 SCBWI Crystal Kite Award****David Matthews is having a rough time. Being a teenager is bad enough, but when he picks up and moves to Japan for a year, with barely any knowledge of the language or social behaviors of Japanese teenagers, things go from bad to worse. Until one day, David attends a temple ceremony and finds himself possessed by a Japanese god. Suddenly, he can understand and speak Japanese. He has unbelievable new powers, including the ability to shift into a tiger, and a powerful sword he can materialize at will from its sheath his body. But nothing comes for free, and these changes bring David face-to-face with the most terrifying creatures of Japanese legend: vengeful okami, demonic oni and terrifying ghostly yurei. Trained by his host family, famous sword-makers and the keepers of an ancient secret entrusted to their family by the first Emperor of Japan, David must fight desperately to save his host sister from a hoard of Japanese monsters. Evil has returned to Japan, and David must overcome his own insecurities if he is to save her and become a True Samurai the protector of Japan.
