

Sasha Cohen: Fire on Ice (Revised Edition): Autobiography of a Champion Figure Skater

Olympic silver medalist Sasha Cohen tells her story -- on and off the ice. Sasha Cohen captured the worlds attention with her exquisite spiral and outstanding layback spin at the 2002 Olympic Winter Games in Salt Lake City. In Torino, she reigned as the most intriguing contender in figure skating at the 2006 Olympic Winter Games and triumphed with the silver medal. For the first time, Sasha tells her amazing story, in her own words, including: Her discovery of ice skating at age 7 and the coaches who trained her. Her comeback from the injury that almost ended her career. The crushing lows and miracle wins. This is the official autobiography of the worlds most captivating skater, on and off the ice.
