

Brass Dragon Codex (The Dragon Codices)

Never start a conversation with a brass dragon--it might never end! In another volume of the companion series to *A Practical Guide to Dragons*, orphaned baby brass dragon Kyani ventures out into the desert to find something to eat, and finds a gnome named Hector instead. Hector is not so sure he wants a chatty, hungry brass dragon following his every move. But several groups ready to go to blows over the marvelous invention Hector guards with his life, he may need the help that only a fun-loving brass dragon can provide.
