

What Is Soccer?

Inspired by the authors oldest daughter Sara, What is Soccer? is a true story about Sara and her first experience with the game of soccer. The book tells the story of Saras reaction to her Dads excitement while watching a televised soccer match and her resulting interest in the game. Her Dad is her coach as he helps her learn the basics of the game. Readers will enjoy hearing how Sara learned to dribble, pass, and shoot the soccer ball. Written by a former soccer player and coach, and illustrated by Sara and her little sister Olivia, the story shares a kids view of soccer and conveys why soccer is a great game for kids. It is a great bedtime story or a good choice for beginning readers to read on their own. It is also a useful resource for kids who are just starting to play soccer or parents who have never played the game. Watch for additional books by the author that will take readers on the journey of Saras first game and beyond!
