

## Steady Hands: Poems About Work

In this collection of free-verse poems, inspired by Walt Whitman's I Hear America Singing, Tracie Vaughn Zimmer celebrates workers and the doing of work. The poems are short and direct, with strong, fresh images, and readers can easily imagine themselves in the roles she portrays: welder, librarian, surgeon, retail clerk, camp counselor. The illustrations are as original as the text---amazing multilayered collages made of paper, found objects, ephemera, photographs, dried flowers, and archival images. Steady Hands is sure to inspire discussion, creative writing, art projects, and new answers to the old question: What do you want to do when you grow up?
