

## Slam Dunk! My Basketball Book

Nothing but net! As they go through this vibrant board book, young readers will experience the thrill of being courtside and watching teams of tall players dribble, pass, block, tip off, and steal the ball with skill. Each page features one basketball-related word, illustrated by an action-filled, color-packed picture. Whether its a high jump shot, a lucky rebound, or a buzzer beater (a shot taken just before the game clock ends a period), all of the images capture the movement, the energy, and the competitiveness of this great game. Its perfect for the youngest sports enthusiasts and for all the adult ones who like to read aloud.
