

Collins Big Cat – The Stone Age Diaries: Band 12/Copper

Over 25,000 years ago, people left handprints on the wall of a cave. Discover the clues Stone-Age people left behind, and find out what life was like thousands of years ago.

Copper/Band 12 books provide more complex plots and longer chapters that develop reading stamina.

Text type - An information book.

The book is organised into short chapters to help children practise the skills of locating and identifying important information.

The glossary and index on pages 30 and 31 can be used to develop childrens information retrieval skills further.
