

The Book of Rhododendrons

During a period as artist-in-residence at Exbury Gardens, home of the celebrated Rothschild rhododendrons. She spent 15 years meticulously documenting the genus Rhododendron. This magnificent book is a collection of her paintings of rhododendron species, executed with delicacy and skill. Each painting illustrates the eight-month growing cycle and includes the flowering branch, bud, flower division and profile, new leaf growth, and seedhead. Published at \$45.00 Our last copies available at \$22.49
