

## Book of My Nights: Poems (American Poets Continuum, 68)

Book of My Nights is the first poetry collection in ten years by one of the worlds most acclaimed young poets. In Book of My Nights, Li-Young Lee once again gives us lyrical poetry that fuses memory, family, culture and history. In language as simple and powerful as the human muscle, these poems work individually and as a full-sequence meditation on the vulnerability of humanity. Marketing Plans:

- o National advertising
- o National media campaign
- o National and regional author appearances
- o Advance reader copies
- o Course adoption mailing

Li-Young Lee burst onto the American literary scene with the publication of *Rose*, winner of the 1986 Delmore Schwartz Memorial Poetry Award from The Poetry Society of America. He followed that astonishing book with *The City in Which I Love You*, which was The Lamont Poetry Selection of The Academy of American Poets. Mr. Lee has appeared on National Public Radio a number of times and *The Power of the Word*, the PBS television series with Bill Moyers. *Rose* and *The City in Which I Love You* are in the 19th and 17th printings respectively, making them two of the highest-selling contemporary poetry books in the United States. Moreover, Mr. Lees poems have been translated into more than a dozen languages. He currently lives in Chicago.
