

Super Bugs

The Super Bugs help insects when they are in danger! Antennae up, eyes down. Buzzing all around the town. Super Bugs, Super Bugs, mighty, mighty Super Bugs! These heroic insects are ready to fly in and lend a helping hand or wing! The Super Bugs spend all day doing good, and when the day ends... To the hideout -- cozy nest. Even heroes need to rest. Young insect enthusiasts will enjoy the fun facts for all nineteen insects in Super Bugs: ants, beetles, bumblebees, butterflies, caterpillars, cicadas, cockroaches, crickets, daddy longlegs, dragonflies, fireflies, fleas, grasshoppers, houseflies, mosquitoes, moths, spiders, stinkbugs, and termites.
