

Sweet Temptation

This swoonworthy, romantic companion novel to Wendy Higgins New York Times best-selling Sweet Evil series is told from irresistible bad-boy Kaidans point of view. Listeners will love getting inside Kaidans head, especially fans of the Divergent series by Veronica Roth, the Selection series by Kiera Cass, and Walking Disaster by Jamie McGuire. When bad-boy drummer Kaidan Rowe encounters good girl Anna Whitt, the girl chosen to vanquish the demons from Earth, he cant stop thinking about her. The Nephilim son of the Duke of Lust, Kaidan tries to help Anna embrace a life of sin, but she gradually helps him see that hes meant to do more with his life. Their relationship is as tortured as it is passionate, for Nephilim are forbidden to fall in love. But as hard as they may try to obey, Kai cant seem to stay away from Anna, nor Anna from Kai. Full of chemistry and high-stakes drama, this companion audiobook is darker, hotter, and completely satisfying.
