

# More Tales Behind the Tombstones: More Deaths and Burials of the Old West's Most Nefarious Outlaws, Notorious Women, and Celebrated Lawmen

More Tales Behind the Tombstones tells the stories behind the deaths (or supposed deaths) and burials of even more of the Old West's most nefarious outlaws, notorious women, and celebrated lawmen. Readers will learn the stories behind these legendary characters and visit the sites of tombs long forgotten while legends have lived on. Read about the lives (and deaths) of fearless, famous lawmen such as Bass Reeves, Chalk Beeson, Bill Tilghman, and Pat Garrett; learn about the dauntless women who blazed new paths for their sex in medicine, journalism, entertainment, and voting rights; and discover the intriguing facts and myths that continue to circulate about these and other infamous characters long after their grave markers have become worn down or simply lost to time.
