

## Tales of Mystery and Imagination (Calla Editions)

This gorgeous anthology features 29 of Edgar Allan Poes tales of the fantastic and the macabre. It combines some of his most popular stories including The Fall of the House of Usher and The Murders in the Rue Morgue with lesser-known gems. Illustrated with 8 full-color plates and 24 full-page drawings filled with brooding eroticism by Harry Clarke, a brilliant Edwardian-era artist too long overshadowed by his contemporary Aubrey Beardsley.
