

Getting a Job IS a Job: Secrets of Successful Job Hunting

If you think that finding a job is all about sending out your resume to a few businesses, filling out a couple of job applications each week, or maybe hiring a head hunter, its a good thing youve invested in this book. The job seekers who are only putting out the minimum effort or are doing the same ol same ol will be collecting their unemployment checks until their claim runs out. If you want a job, youre going to have to work at it... and work smart. The energy you invest in your job search is equal to the results youll receive. Energy in. Energy out. Its a Law of the Universe. Warning: This is not a read-it-in-a-weekend-and-feel-good book. Its a WORK book. That means there are exercises and projects for you to work through and complete. Of course, theyre not mandatory. Nothing in life is mandatory. You only need do the work if you want to realize optimum results and greatly increase your odds of landing a job. If you want to find a job - either a better job or a job to change your unemployed status - you need to realize one thing: Getting a job IS a job.
