

The Amazing Thing About the Way It Goes: Stories of Tidiness, Self-Esteem and Other Things I gave Up On

From New York Times best-selling author and popular blogger Stephanie Pearl-McPhee comes a new spin---a hilarious look at life, parenting, and, well, pants. The Amazing Thing About the Way It Goes takes on the amazing in the ordinary in this side-splitting series of short commentaries. Pearl-McPhee turns her trademark wit and perspective to everything from creative discipline to a way you would never think about fixing your email situation. This book looks at everyday problems--and honestly won't do much to solve them--but at least you'll be laughing.
