

# The American Heritage Childrens Thesaurus

Ages 8-12, Grades 3-6 With more than 4,000 entries and 36,000 synonyms, this updated, award-winning thesaurus encourages young writers to think analytically about their word choices. Entries are arranged in a way that distinguishes between words that are close synonyms and words that differ somewhat in meaning or usage. More than 150 full-color photographs illustrate the many example sentences and make this book as attractive as it is useful. As an added bonus, this updated edition includes an explanation of the major parts of speech, to help young writers establish a firm grasp of language.
