

Kitchen Passports Trinidad and Tobago: Trinidad and Tobago

Think Globally, Cook Locally! Kitchen Passports: Trinidad and Tobago invites young cooks and their adult helpers to drop everything and travel to Trinidad and Tobago right in their own kitchens. Each recipe is a passport to tasty ingredients and yummy dishes enjoyed in Trinidad and Tobago, the second largest nation in the West Indies. Kitchen Passports aims to encourage kids to travel through their taste buds, to create meals and share them with others, and to learn about a culture unfamiliar to them, all while developing their skills as young cooks.
